

Crop Management Field Day

Tuesday, August 20, 2019
Registration: 9:30 a.m.; Program: 10:00 a.m. to Noon
Kevin and Jody Hoyer's Farm, N5540 Jordson Coulee Rd West Salem, WI 54669

Dr. Francisco Arriaga, UW Soil Scientist

- Managing Soil Compaction
- Cover Crop Considerations

Dr. Carrie Laboski, UW Soil Scientist

- Nitrogen management considerations for profitability and water quality

Local Ag Agents

- Winter Wheat 101
- Soybean Gall Midge, a new soybean pest
- Crop Harvest Management Considerations for Fall 2019

Lunch after the presentations

Bring samples of crop problems from your farm for ID and management considerations

Please pre-register with the La Crosse County Extension Office, 608-785-9593 by Friday, August 16th so we can get an accurate count for handouts and food.

AREA SPONSORS FOR THE CROP MANAGEMENT FIELD DAY ARE:

- River Bank Member FDIC
- UW Division of Extension Offices in La Crosse, Monroe, and Vernon Counties

Kaitlyn Lance
Agriculture Educator, Extension La Crosse County
