The tailgate is set for Monday, June 27th at 7pm following the Foods Revue. Heidi will work to organize some games. Ice cream is planned. Emily will be inviting some fair Superintendents. This is a great event for the Board Reps to promote to clubs.

Craft Fair Update

Emily has talked to the Presbyterian church about being our host location. They seem interested and plan to discuss it at their next meeting and will get back to us. The event is being planned for October 8, 2022.

Food Stand

The committee met. It was decided that there will be both taco meat and bbq meat and that the taco meat will move to Stand 2 for Macho Nachos and the standard nachos with cheese and meat. All food prices will be raised this year, about 25¢ on average.

Rick Shisler will be completing the updates to the food stand this year, including installing a new steel door in the front of the stand.

The customer flow was discussed and it was decided that orders will be taken at the front of the Food Stand, the cashier's will be at a table on the front, outside corners, and customers will proceed to the side of the building to pick up their orders.
