## Ringing in 2026 with Change

Happy New Year!

For those who are not familiar with me - Hi! I'm Kasey, I have been with the Extension office for 7 years, and the 4-H program specifically for 6 years.

I would like to express my heartfelt appreciation for all of the 4-H community members who have reached out to me during this difficult time. It has truly meant the world to me to feel so supported by club members and leaders alike.

My time with the Extension and 4-H office has been full of opportunities to get to know so many of you personally. Seeing 4-H members grow from Cloverbuds into talented and hardworking youth has warmed my heart and is truly inspiring.

2025 was a year of challenges for not only me, but also in our 4-H community - I am so proud of how much we have accomplished this year. 2026 is bringing change with it, and unfortunately part of that change is my departure from the 4-H and Extension Office for a new and exciting opportunity.

I am looking forward to this new journey, and also sad to be leaving the 4-H office. I will always look fondly upon my years here with the 4-H program, and don't worry - I'll still be around for Clover College, and any other events Emily needs a spare volunteer for!

Thank you all for being such a safe and rewarding space for these past six years.

This isn't Goodbye, it's See You Soon!

I'll Miss You!  
Kasey Burg

## 2026 Summer Camp!

**Date:** Wed. July 29-31, 2026

**Location:** Upham Woods, Wisconsin Dells

It's time to assemble our Chaperones and Counselors again! If you know you want to help make the 2026 Summer Camp experience memorable and amazing, please reach out to Emily at [Emily.crook@wisc.edu](mailto:Emily.crook@wisc.edu).

Counselors are youth currently enrolled in 9th and above grades. Chaperones are adults older than 21. Adults between 18-21 can participate as counselors or chaperones if their group is young enough! Bonus incentive: Adults who chaperone with youth who attend, receive one entire camp fee covered for a youth.

Last year, La Crosse had 21 campers, 4 adult chaperones, and 3 counselors, too! We camp with Area 13 counties – Monroe, Vernon, Crawford & Richland. In total we had a full camp at 136 people. Last camp's theme was the 4-H Undercover, and groups had various competitions for points, including guessing the red spy. It was so much fun and went so well because we had so much adult help. I'm hoping we continue our strong camp vibe into 2026!

## Still to come:

Watch for these annual experiences soon to appear in 4-HOnline! All of them are eligible for scholarship through the Leaders Board as well.

## Do your Demonstrations at Clover College this year!

Demonstrations are an excellent way for youth to gain practice in public speaking with a large audience. Every year, we hold a pre-fair judging opportunity for youth to exhibit their demonstrations. In the fair book, these are listed in Dept 31.

To ensure a live audience for youth to present their exhibit, we're holding Demonstration judging during the lunch period of our Clover College event on Feb. 7th To see the options and what is needed for each demonstration, please visit: <https://tinyurl.com/4HCloverCollege>. Prepare to have a LOT of participants!

If your 4-H member wants to give a demonstration at Clover College, please fill out this form: <https://forms.gle/e1DtpCR9ZXqcWU6p9>. These presentations are eligible for ribbons and premiums if they are also presented during fair week. Also, most youth who complete these demonstrations are considered for additional awards as well. Consider doing one this year! If you have questions, please reach out to Emily Crook at [emily.crook@wisc.edu](mailto:emily.crook@wisc.edu).
