Ch ch changes!

I've worked REALLY hard on myself ever since the twins arrived in our life. I mean, you can't not once you become a parent, right? From time to time, when some cataclysmic shift happens in the present day, I pause and reflect on how far I've come since then.

How I handle stress, situations, and yes, so very many changes in such a short amount of time:

- 20 years ago me, thrived in change. So exciting, so much potential. I can fix anything!
- 10 years ago me, held down a fort, change was a threat. Why is this happening to me?
- Today me: appreciating its value and understanding its implications. It'll sort out somehow.

Regardless of what's happening, I'm able to sit back and roll with it now, no panic, just accepting what I can't change and working to change what I can, in my own time.

I guess I'm growing up.

Where: Arrows in the Square (N7681 Casberg Coulee Rd, Holmen)

Youth will learn safety and shooting basics with support from trained program leaders. The experienced archer will also have the opportunity to refine their skills, too. Participants will practice in a fun, engaging way with the opportunity to compete in some friendly competitions. In addition, participation in this program will help youth fulfill the safety session requirements needed to compete in the La Crosse Interstate Fair Archery Tournament. Youth do not need to bring their own equipment for the Archery Program. All needed equipment is available for use.

This popular program fills up fast and spots are awarded on a first-come, first-served basis. No spots will be held without payment received in full. 4-H members must be enrolled in 4HOnline for the 2025-2026 year at the time of registration for this program to be eligible for the 4-H member prices.

Because extra insurances are provided, proof of hunter’s safety certification is not required for pellet gun participation.

IMPORTANT RULES: No sandals or open toed shoes will be allowed, long hair needs to be tied back, and no loose clothing should be worn to the program. Attendance on the first day of pellet gun will be required as the safety session will only be offered on the first day, or your spot and application fee will be forfeited.

Registration is available on our website here: <https://lacrosse.extension.wisc.edu/4-h-youthdevelopment/4-h-projects/shooting-sports/> Registrations are due by 4:30 p.m. Thursday, April 2, 2026.
