STONEHENGE

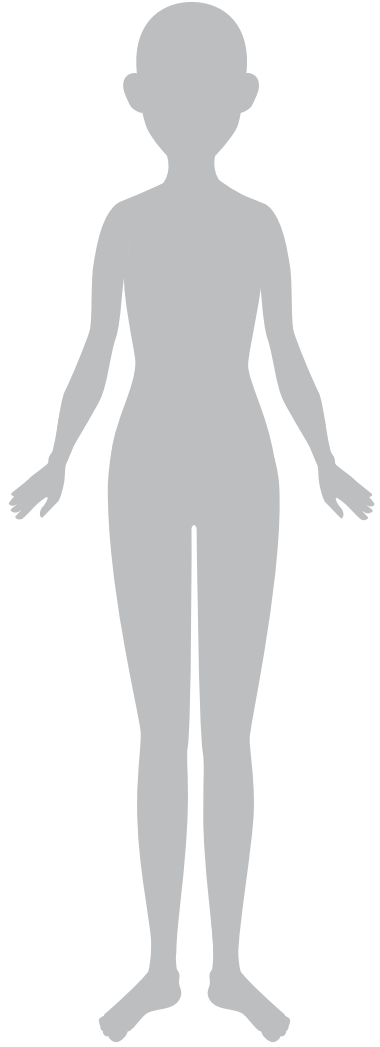

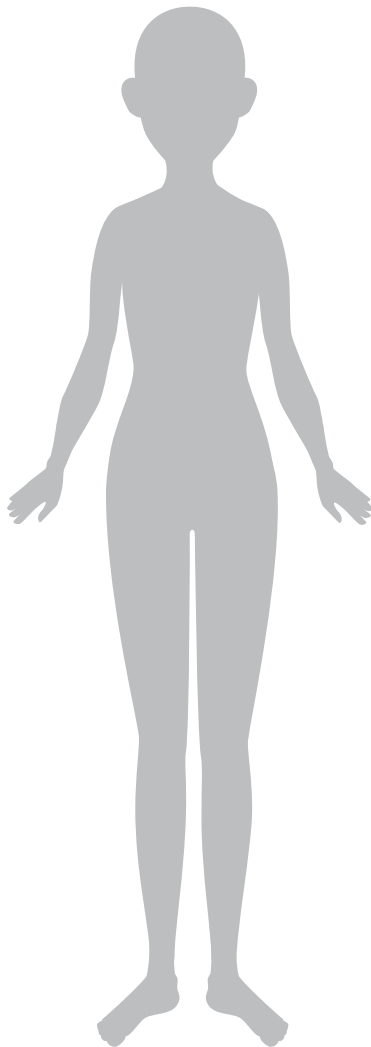

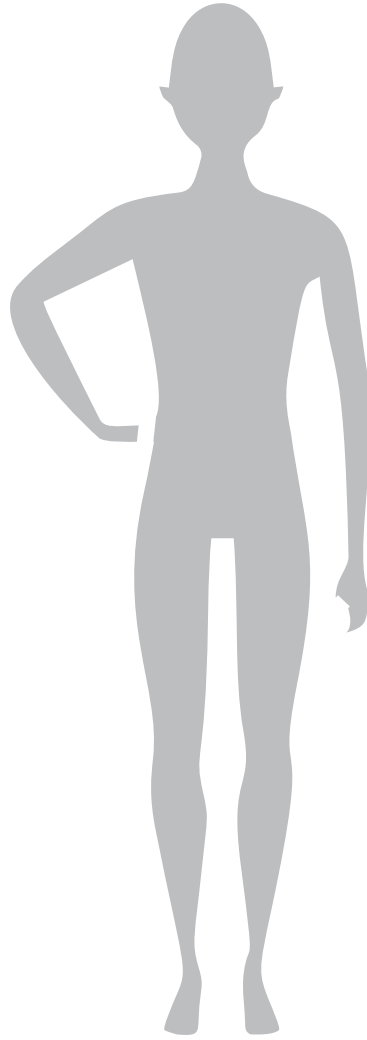

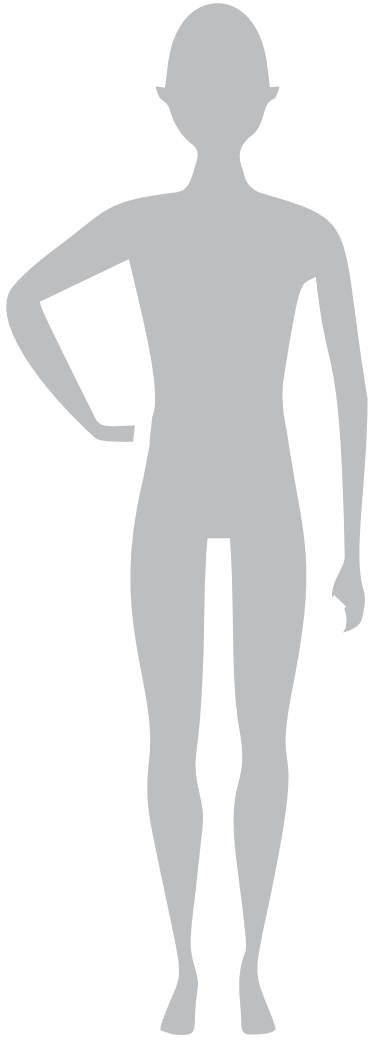

Stonehenge is a prehistoric (really old) monument in England. It consists of an outer ring of very very large vertical stones - weighing 25 tons each, 13 feet high and 7 feet tall, and all used to be connected by stones laying across the top. Stonehenge is a masterpiece of engineering, and building it would have taken huge effort from hundreds of well-organized people using only simple tools and technologies.

If you want to see a virtual tour of Stonehenge or learn more, visit: www.stonehengesky scape.co.uk/ and click the "tour" button in the lower right corner!

International Fashion

There are many different traditional and ceremonial outfits throughout the world. Look up traditional or ceremonial dress from other countries then pick your favorite four and draw them on the models below!

greetings through languages

Learning about international countries often means learning new languages.

English, one of the main languages spoken in the U.S., is not the main language spoken in every country. Complete the word search below to learn how to greet others in 21 different languages!

YOUR FAIR PROJECT!

Let's make a...
POSTER 14" X 22"
(OF A COUNTRY YOU WANT TO VISIT)

(Dept 17, Class A, Item 30)

Welcome to a new section of Cloverbuddies, where we share how to complete one fair project for each area highlighted. It's not required, but it's fun!

A poster is a large sheet of paper that is used to promote something on a wall or as decoration.

Typically posters include both words and pictures or shapes - but some are all words and some are all pictures and shapes!

This can be a fair exhibit! Visit www.lacrosseinterstatefair.com after June 1st, and you can enter this exhibit on the registration.

- Select Dept 17 for Cloverbuds, Class A for Cloverbud, and Item 30, Any Other Poster 14" x 22".
- Youth who exhibit in the Cloverbud department participate in face-to-face judging at the fair. The judge will ask age-appropriate questions of the youth to determine their knowledge and enjoyment of the project they completed. Cloverbuds get special Cloverbud ribbons at the fair.
- For bonus points with your judge, explain why you chose this country and any other cool information you found out!

YOUR FAIR PROJECT!

Let's make a...
POSTER 14" X 22"
(OF A COUNTRY YOU WANT TO VISIT)

(Dept 17, Class A, Item 30)

MATERIALS NEEDED:

- poster paper 14"x22"
- glue / tape
- craft paper for decorations
- printed photos
- scissors
- anything else you want!

INSTRUCTIONS:

Pick a country you want to visit, and research these 6 things:

1. It's independence day (if it has one) and other historical notes,
2. Foods it's known for
3. Natural landmarks it might be known for (does it have water in or around it, rivers, volcano, islands, etc,)
4. Man-Made landmarks it's known for - old buildings, giant dams, etc,
5. Economy - how does it make money/sustain its people, what does it use for money?
6. Language/Dress - what is the language most spoken, and what have people worn in the past, and what to do they wear now?

Now design your poster into 6 sections - one for each of those things you researched above, and fill each section with photos, drawings, or words that you think belong in that area.

TAKE A CLOSER LOOK

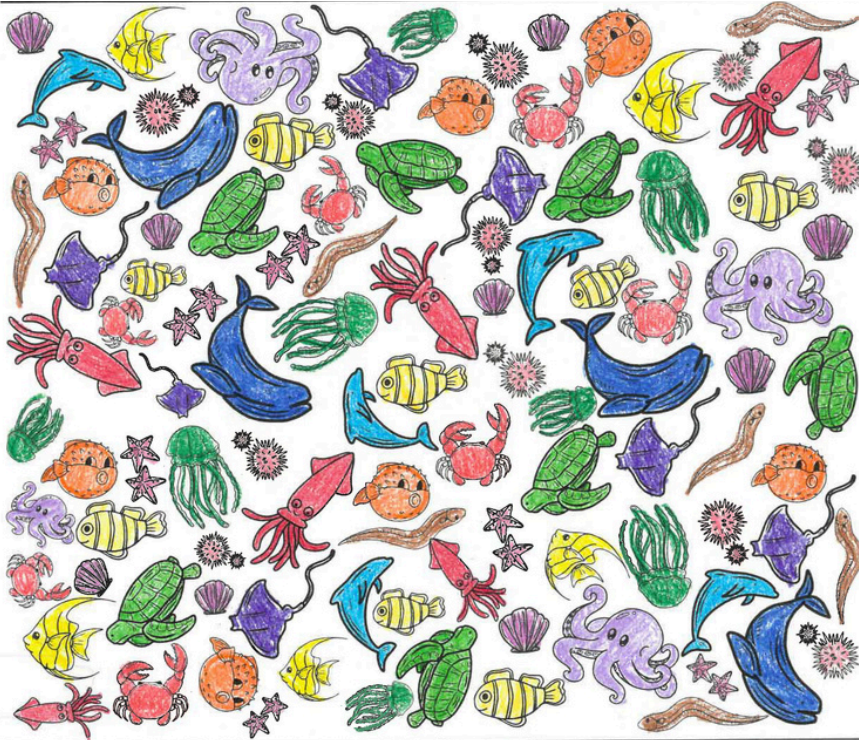

- What other parts of this country are the most interesting to you?
- What do you think it would be like to live there for a whole month?

JUNE ANSWER KEYS

Answers to all Cloverbuddies activities will appear on the back cover of the following month's issue. For answers to this issue, watch for next month's installment of Cloverbuddies!
